

MAS NOTICE 1114

Issue Date: 21 June 2013

NOTICE TO MERCHANT BANKS
MONETARY AUTHORITY OF SINGAPORE ACT, CAP 186

NOTICE ON TECHNOLOGY RISK MANAGEMENT

Introduction

1 This Notice is issued pursuant to section 28(3) of the Monetary Authority of Singapore Act (Cap. 186) (the “Act”) and applies to all merchant banks approved under section 28 of the Act.

Definitions

2 For the purpose of this Notice—

“critical system” in relation to a merchant bank, means a system, the failure of which will cause significant disruption to the operations of the merchant bank or materially impact the merchant bank’s service to its customers, such as a system which—

- (a) processes transactions that are time critical; or
- (b) provides essential services to customers;

“IT security incident” means an event that involves a security breach, such as hacking of, intrusion into, or denial of service attack on, a critical system, or a system which compromises the security, integrity or confidentiality of customer information;

“relevant incident” means a system malfunction or IT security incident, which has a severe and widespread impact on the merchant bank’s operations or materially impacts the merchant bank’s service to its customers;

“system” means any hardware, software, network, or other information technology (“IT”) component which is part of an IT infrastructure;

“system malfunction” means a failure of any of the merchant bank’s critical systems.

3 Any expression used in this Notice shall, except where expressly defined in this Notice or where the context requires, have the same meaning as in the Act.

Technology Risk Management

4 A merchant bank shall put in place a framework and process to identify critical systems.

5 A merchant bank shall make all reasonable effort to maintain high availability for critical systems. The merchant bank shall ensure that the maximum unscheduled downtime for each critical system that affects the merchant bank's operations or service to its customers does not exceed a total of 4 hours within any period of 12 months.

6 A merchant bank shall establish a recovery time objective ("RTO") of not more than 4 hours for each critical system. The RTO is the duration of time, from the point of disruption, within which a system must be restored. The merchant bank shall validate and document at least once every 12 months, how it performs its system recovery testing and when the RTO is validated during the system recovery testing.

7 A merchant bank shall notify the Authority as soon as possible, but not later than 1 hour, upon the discovery of a relevant incident.

8 A merchant bank shall submit a root cause and impact analysis report to the Authority, within 14 days or such longer period as the Authority may allow, from the discovery of the relevant incident. The report shall contain—

- (a) an executive summary of the relevant incident;
- (b) an analysis of the root cause which triggered the relevant incident;
- (c) a description of the impact of the relevant incident on the merchant bank's—
 - i. compliance with laws and regulations applicable to the merchant bank;
 - ii. operations; and
 - iii. service to its customers; and
- (d) a description of the remedial measures taken to address the root cause and consequences of the relevant incident.

9 A merchant bank shall implement IT controls to protect customer information from unauthorised access or disclosure.

Effective Date

10 This Notice shall take effect on 1 July 2014.
